LICENSEE STATEMENT

I have reviewed the Janesville Central Hydroelectric Project boundary shown herein. The licensee either owns in fee simple or has the rights necessary or appropriate for the operation of the hydroelectric project. The project boundary lines that are not contour lines were based on GIS parcel information provided by the Wisconsin Statewide Parcel Database and Public Land Survey System (PLSS) information provided by the Wisconsin Department of Natural Resources GIS Open Data Portal.

LICENSEE STATEMENT

I have reviewed the Beloit Hydroelectric Project boundary shown herein. The licensee either owns in fee simple or has the rights necessary or appropriate for the operation of the hydroelectric project. The project boundary lines that are not contour lines were based on GIS parcel information provided by the Wisconsin Statewide Parcel Database and Public Land Survey System (PLSS) information provided by the Wisconsin Department of Natural Resources GIS Open Data Portal.

Map Note:

Metes and bounds project boundary description is based on GIS information. When the project boundary description references a specific corner, that reference shall govern over bearing and distance references in case of conflict.

Unless specifically noted otherwise, Wisconsin section lines and 40-lines, and roads are from the Wisconsin Department of Natural Resources and parcel boundaries are from the Wisconsin Statewide Parcel Database. Contour lines generated from LIDAR are from 2010 Wisconsin Regional Orthorectification Consortium (WROC). These items have not been surveyed by Mead & Hunt, Inc.

ALL PUBLIC ROADS AND ASSOCIATED RIGHTS-OF-WAYS ARE EXCLUDED FROM THE PROJECT.
