Reproduction Request Form
Kezar Falls Relicensing
FERC Project No. 9340

Instructions for Completing Reproduction Request Form:

Please complete the form below including name, address, affiliate agency or organization (if applicable), include a contact phone number, if clarification on your request is needed.

For each document, describe the document being requested including the name of the file, the title of the document, date of the document and the number of pages. Also include the reference, if available.

In order to process the request, please calculate the Reproduction Cost by multiplying the number of pages in the document by $0.90.

Where applicable, reimbursement for reproduction should be in the form of a check for the amount shown in the TOTAL Reproduction Cost made payable to Kezar Falls Hydro, LLC and included with your request.

Please mail the completed Reproduction Request Form and check to:
